Making a good impression with professional-looking documents is now easier than ever. Integrating advanced digital functions in an ultra compact design, the AL-1217 brings superb copying quality to your small office. Plus it features convenient laser printing and full-colour scanning complete with versatile document management software for your PC.

Speedy Copying with SOPM

The AL-1217's Scan Once/Print Many (SOPM) function stores a scanned original into memory to quickly produce up to 99 copies of each page at a continuous copy rate of 12 cpm*. Plus its quick first copy time of just 9.6 seconds saves valuable time when performing multiple short-run jobs.

*Based on A4 (8 1/2" x 11") or smaller documents using the same size copy mode.

600 dpi Printing Resolution

The AL-1217 uses a high-performance 600 dpi digital laser printing engine to produce ultra clear printouts and copies. This high printing resolution ensures that all details of the original document, including fine text, charts, and even photographs, come out clear and legible.

Full-Colour Scanning with Bundled Software

The AL-1217 also works as a full-colour scanner, complete with powerful utility software. Button Manager lets you scan documents directly into applications on your PC. Up to six pre-registered applications are available, including Sharpdesk™, e-mail, PC-fax, OCR, Microsoft® Word and a different application of your choice. Operation is quick and easy — simply press the Scan button, select an application from the scan menu and press Start! Sharpdesk™ desktop document management software allows you to easily browse through, edit, sort and file your scanned documents.
